Terms & Conditions

Payment Options & Information.

Paragon Performance accepts American Express, Discovery, Mastercard, PayPal, & Visa for credit card transactions. If you wish to pay with check, it requires the process for approval for Net 30 terms or the check is to be sent ahead of time. Orders are not charged immediately, they are charged the same day they are shipping. If/when paying with PayPal, it is required a payment is sent before the order proceeds into production - shipping is estimated before you are sent the amount to pay.

Shipping Information

Paragon Performance ships across the US & Canada. We can ship via UPS, FEDEX, & USPS - it is recommended to ship via USPS to Canada. Bigger orders that do not fit in a padded envelope will have to be calculated and added to your total. Shipping and transaction details are emailed the following business day.

Freight Damage

Products that are delivered damaged or lost in transit are the responsibility of the carrier.

Parts Availability

All hose assemblies produced by Paragon are made to order. Assemblies/kits are usually produced withing 7-9 business days if parts are in stock. We do our best to keep parts to produce assemblies in stock, however demand peaks and freight backups may cause production & delivery delays.

Back-Orders

Back-orders are immediately shipped out as soon as we receive/produce the remainder of the order. Please notify us if you would like a confirmation on the back-order shipping before-hand.

Paragon Performance Limited Warranty

Paragon Performance warrants that said products will be free from defects in material and workmanship for 90 days from date of original purchase, and this warranty is limited to repair or replacement of parts. This warranty shall not exceed the original purchase price of the goods, nor shall Paragon Performance be responsible for special, incidental or consequential damages. This warranty does not apply to any product subject to damage in transit, accident, misuse or abuse following date of original purchase. This warranty shall not apply to any product which has been repaired or altered in any manner following date of original purchase. Paragon Performance parts are not to be used for any aircraft applications, experimental or otherwise. Paragon Performance stainless steel braided hose assemblies for brake line use are designed for off-road use only.

Returns/Cancellations

For all stock items, Paragon Performance will accept product returns for a full refund as long as the item(s) are in their original condition/ packaging. Returns on any custom order will not be accepted, so we recommend that you order the correct assembly configurations for the lines you require.

Printing Errors

As much as we proof read text and documents before publishing, we do not accept responsibility for any typographical mistake whether in pricing or content. All pricing is subject to change, by placing an order with Paragon Performance you are agreeing to these terms and conditions.
